

Multifocal for Multi Task

ASPHERIC FRONT CURVE ENSURES
SMOOTH VISUAL TRANSITION

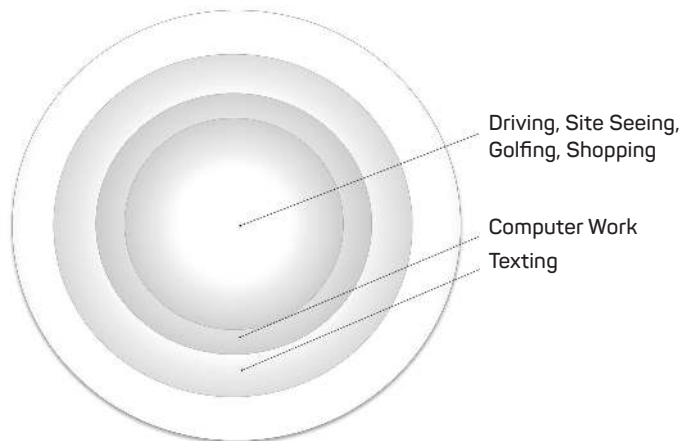

- Aspheric Front Curve guarantees smooth visual transitions
- Simple base curve fit identical to basic spherical or toric lens
- Range of power combinations from +0.75 to +4.00

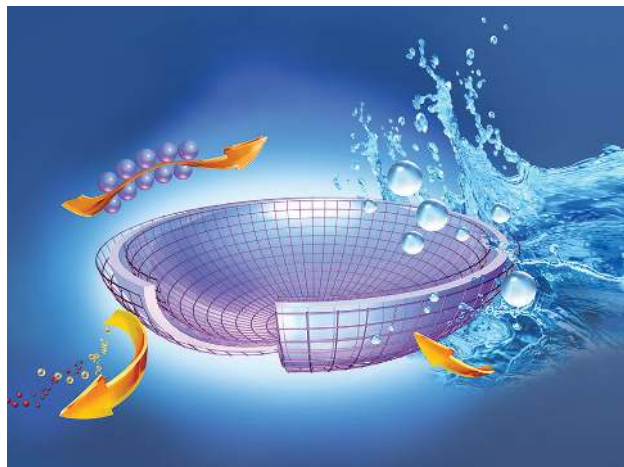

- It is possible to achieve a broad range of visual corrections in a single lens THANKS to advances in manufacturing technologies

- Add power and transitions can be applied to any zone on the front curve

- Hydra-PEG® coating can be added to ensure maximum comfort on lenses made from any Contamac Comfort, Extra or Extreme materials

- Next day delivery is the foundation of our culture
